

BEAUTY MAISON POP-UP AT VILLA D'ESTE

Villa d'Este, a symbol of elegance and prestige on Lake Como, partners with Biologique Recherche, a renowned French brand in dermo-cosmetic innovation, to offer an unparalleled beauty experience: personalized and exclusive, with specially designed rituals in a private setting.

In the enchanting setting of Villa Malakoff, a 19th-century residence recently renovated and nestled within the hotel's century-old park, you will find three suites dedicated to personal care, where luxury and innovation merge to provide moments of true rejuvenation.

Do not miss the must-try signature treatment created by Villa d'Este in collaboration with Biologique Recherche: Soins Magistral, a unique, custom experience that regenerates the skin and awakens the senses, offering immediate, visible results.
